

CSC363 Tutorial 12

:(

Paul “sushi_enjoyer” Zhang

Chungus stole the precious thing.

April 6, 2021

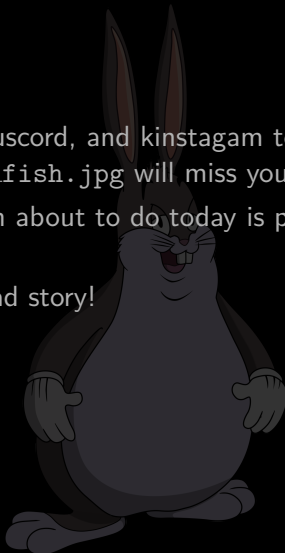

Learning objectives this tutorial

By the end of this tutorial, you should...

Add `helo_fish.jpg` on bacefook, suscord, and kinstagram to keep in contact with `helo_fish.jpg`. `helo_fish.jpg` will miss you!

Hire some defense lawyers. What I'm about to do today is probably very illegal. But I'm a gamer 😎

Cry. You're about to watch a very sad story!

AA

[CSC363] Any instructions for this week's tutorial?

Mohammad Mahmoud

To: Paul Zhang

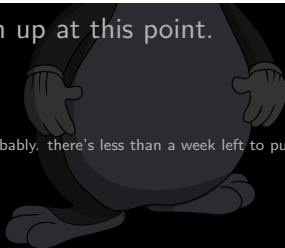

Freestyle 😊

Do whatever you think is useful

i feel like we have all given up at this point.

lol. i hope you like documentaries!

also cut me some slack pls :(i'm dead inside, just like most of you, probably. there's less than a week left to pull through (unless you have projects due after or something smh).

mmm...

Task: who is this wonderful lad?
okay documentary time.¹

¹if you're reading the slides, here's what we watched!
<https://www.youtube.com/watch?v=tD1Qs5E1WCs>

bye.

uh, best of luck on the exam! was fun TAing this course <3
as i like to say, *may the sushi juice be with you.*
